

StraightLine Counter

SLM-COUNTER-K

StraightLine®

PRODUCT DESCRIPTION

The StraightLine Locking Counter combines premium styling with practical functionality, making it the perfect reception point for modern exhibits. Built with a sturdy aluminum frame, the counter features a laminated wood top, acrylic side panels, shelves and doors. A vibrant SEG front graphic completes a contemporary look that can be easily updated with new branding. Locking sliding doors keep materials secure and two internal shelves provide convenient storage for literature, giveaways, and personal items.

Designed to integrate seamlessly with StraightLine or BrightLine exhibits, the entire counter packs into a CA605 shipping case for efficient transportation, protection, and easy setup at every event.

DISPLAY CONSTRUCTION

Aluminum frame, laminated wood counter top, acrylic shelves, sides, and door.
